FACTS FOR LIQUID BIOFERTILISER (PAPERBACK)

Partridge Singapore, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Facts for Liquid Biofertiliser is for all those who can help to undertake the greatest communication challenge of all the challenges of empowering far to use today s knowledge to protect today s soil fertility and tomorrow s India and developing world in the new millennium. Every year, a million hectares of land degrades in the developing world, due to degradation of soil health and lower fertility status. A fundamental cause of this tragedy is lack of awareness. Today s knowledge about protecting the health and fertility of soil has not been put at the disposal of majority of the farmers. Today, there is a worldwide (100) scientific consensus on soil health information. It is the information, which can help to save the million hectares of soil from excess use of chemical fertilizer in the developing world in eco-friendly way. It is information, which can drastically reduce the import of raw materials for chemical fertilizers and help to protect the interest of small and marginal farmers efficiently, cost effectively and economical way. Facts for Liquid Biofertiliser is therefore intended for all those who influence or control the principal channels of communication challenge to all head of agricultural universities, colleges, liquid biofertiliser producers, mass, and social media.
