

Kurmali noun morphology. An inflectional study on gender and number

By Biswanandan Dash

GRIN Publishing Sep 2014, 2014. sonst. Bücher. Condition: Neu. Neuware - Research Paper (undergraduate) from the year 2011 in the subject Speech Science / Linguistics, grade: Conference, , language: English, abstract: Definitive is a word that the reviewers do not get to use very often. But it is a word that can be used without hesitation to describe a long imminent in this paper on the aspectual inquiry of Inflectional Noun morphology in Kurmali and restricted to nominal morphology, i.e. Gender and Number as grammatical categories. To subsume with a descriptive analysis of Kurmali phonetic data by digging through field study, it outlines the theoretical genesis of inflectional morphology which uses the ideas familiar from the word-and-paradigm model - inflection and stem. Before, it also discusses the linguistic ecology of Kurmali language. Finally, it shows that it is possible to analyse each of these categories in a natural way. 20 pp. Englisch.
