(Oxon;), Captain-General and Governor-in-Chief of His Late Majesty s Province of Massachusetts Bay, in North America; With an Account of His Administration When He Was Member and Speaker of the House of Representatives, and His Gove The oval representation of the Hutchinson coat-of-arms at the head of this Preface is a facsimile of a wax impression remaining on a letter in Governor Hutchinson s handwriting, and dated at Milton, near Boston, Massachusetts, on the 6th of February, 1774. He therefore used this seal in America before he undertook his last voyage to England. But as this im pression has received damage through the vicissitudes of time, the defective parts have been made good by having recourse to some other injured seals that survive on other documents. An old painting of the arms on vellum, of an age unascertained, has come down among a few family odds and ends to the present day, under which there is no motto. It may therefore be concluded that the motto on the seal above was assumed by the Governor at a time when he found that liberty was be coming too licentious. The small quotation at the lower part of the title-page is taken from one of the fly-leaves at the end of the sixth volume of the Diary, as written by himself. We have here a sort of prophetic. Injunction to use it in case a book should be written. He has quoted, as he says, from the Bishop of London s trans lation.
