Morning Star and Wheeler's Open Land Communes: A Brief Run-Through of Their Histories (Paperback)

By -

Calm Unity Press, 2016. Paperback. Condition: New. Onoma County, California Durin ed.. Language: English . Brand New Book ***** Print on Demand *****. A brief description of Morning Star and Wheeler Ranches in Sonoma County, California during the late sixties-early seventies, including the two Wheeler Ranch manifestos. During the late sixties-early seventies, two open-door communal ranches opened their gates in Sonoma County, California. Nothing quite like them had ever existed before, and people came from all over the country to live there. Together, they allowed city folks and others to rediscover and practice a tribal, neo-primitive way of life that consumed less energy and offered more freedom than our regulated, consumption-oriented Great Society could give. Many of these settlers formed small families that migrated north to the Kingdom of New Albion, as we call the rural areas of Mendocino, Humboldt and other counties, where land was cheap and they could continue their new-found lifestyle unmolested. At our two ranches, we experienced a magical eight years until Sonoma County authorities discovered that they could use the health and buildings codes punitively to bulldoze the houses, expel the inhabitants, and close them both down. Although Lou Gottlieb's Morning Star and Bill...
