

The Silkworm: Being a Brief Manual of Instructions for the Production of Silk (Classic Reprint) (Paperback)

Filesize: 7.11 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.
(Kitty Crooks)

THE SILKWORM: BEING A BRIEF MANUAL OF INSTRUCTIONS FOR THE PRODUCTION OF SILK (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Silkworm: Being a Brief Manual of Instructions for the Production of Silk Whatever Opinions may be held as to the feasibility, or as to the profits of silk-culture in this country, the desire for information on the subject and the ambition to embark in the industry, evinced by correspondents of the Department, demonstrate the fact that there will be no difficulty in getting our people to turn their attention to it. Without going into details as to the history of past attempts at silk-culture in North America, it must be obvious to all who thoroughly investigate them that the causes of failure have ever been transient ones. They may be summed up in the statements that (1) labor has found more profitable avenues of employment, and (2) that there has been no home market for the cocoons. At the present time the first statement no longer has force, but the second holds as true now as it ever did. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
