

Maria the Monarch (Paperback)

By Homero Aridjis

Mandel Vilar Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. I highly recommend this extraordinary trip to the kingdom of the monarch. --Dr. Lincoln Brower, Sweet Briar College, the world's leading expert on the Monarch butterfly Each year, in the Mexican town of Contepec, migrating Monarch butterflies spend the winter in the temperate forests of Mexico. This children's book is an adventure story about two courageous cousins Erendira and Corina. With the help of their community as well as Maria the Monarch butterfly, who speaks to them in their dreams, they save the lives of millions of Monarch butterflies threatened by illegal logging and traffickers of wild animals. Together they help preserve the natural and cultural wealth of their homeland. In an afterword The Monarch: A Tireless Traveler Betty Ferber describes the life and evolution of the Monarch butterfly, its migration from North to South America, and the establishment of the sanctuaries in Mexico and the laws that protect them. Homero Aridjis, one of Latin America's greatest living writers and environmental activists, is the author forty-eight books of poetry and prose including Eyes to See Otherwise (New Directions), Solar Poems (City Lights),...

Reviews

This book will be worth buying. Better than never, though i am quite late in start reading this one. You may like how the blogger compose this publication.
-- Mrs. Kylie Oberbrunner II

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
