Brand New Book ***** Print on Demand *****.Extra Money Answer provides a real and honest picture of the opportunities in affiliate marketing. Author Shawn Collins explains how most people don't make much at all, and that it requires lots of time, testing, and patience. But you can make extra money if you do it right. Learn how to come up with ideas for affiliate sites, create content, drive traffic, and make money with the site. Wondering why you should read Shawn's book? Well, he's been an affiliate since 1997. He also managed affiliate programs for ten years, and co-founded the Affiliate Summit conference in 2003. He's done this stuff every day since the 90s and he knows what works. Also, you've probably seen books, ebooks, courses, etc. that claim they can teach you how to get rich quick. He doesn't do that. You won't get rich quick as an affiliate. You probably won't get rich slow, either. But it's a great way to earn an extra \$50, \$100, or more a month. Get started now with this book - Jim Kukral This is the ultimate beginner's guide to learning how to successfully get started with affiliate marketing. No fluff. Just good, real, powerful advice from a guy who's been an industry leader in the field since the beginning. This book is great because it won't waste your time with unneeded tactics and ideas. Instead, you get the correct information you must know in order to start your online career. Highly recommended for people starting out. Designed to genuinely help people with actual step by step tutorials and resources - Dave Cupples This...
