

See the World You Want to See: How to Create the Life You Want

Filesize: 6.69 MB

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Mrs. Bridgette Rau MD)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Visualization is a powerful way to create the life you want. If you want to know how you can change your current life and create the life you really want, then this book will show you how.The book is divided into chapters with guided visualizations that can be used for specific purposes including health, success, prosperity, love and confidence building. Each chapter also has a short, powerful exercise for you to do to gain more clarity and learning on that particular topic. The visualizations can all be used in a more general way for accessing your higher self and for gaining guidance for your development on your path to success. Ana Poirier, International yoga teacher, holistic health coach, global retreat leader from YogaBodyNutrition says This is a book that you will not want to leave on a bookshelf somewhere to collect dust, but to keep on the bedside table or altar as a user s manual to be referenced regularly as you joyfully create the life you desire. I plan to keep my copy close at hand as I continue to create and refine the life I desire! Kate Cobb has brought us a practical and potent collection of visualizations that are simple enough for anyone to do, yet profound enough to be enjoyed by those of us who have practiced this tool for years or decades. Taking the reader through the steps, from how to prepare to actually partaking in the exercises themselves, Kate skilfully simplifies a practice that can seem daunting to some. If you are ready to become the creator of your life, this book will certainly send you off on the exciting and empowering...
