LITTLE WHITE CASTLES (PAPERBACK)

Jodie Esch, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A mother evaporates Years pass A letter arrives A daughter makes a decision All Rachel wants is to unravel the mystery of her missing mother. Why did she disappear over a decade ago without saying goodbye? With the support of her friends, Steph and Dylan, and the guidance of her Tarot cards she must decide if the explanation lies in a faraway town. A family emergency and her mother s odd behavior threaten to disrupt her quest. But the Tarot and a new friend with psychic powers gives her courage to find the answers that really matter. Can the truth transcend Rachel s fantasies? Readers said: This is a great emotional snapshot of a girl/young woman dealing with abandonment issues, a condition all too many of us have felt at one time or another. The author did a fine job with this sensitive, and often overlooked subject. Dani Haviland The family situation is well described, the relationship with friends, step siblings and dad, who is very wary when his ex suddenly contacts him out of the blue and wants to see the daughter she left behind. Loves Reading I really liked this book. It s a novella, so not a long story, but the characters were real and well illustrated. There were a lot of twists and turns as this young woman tried to sort her life out. When the mother does make contact, it throws her into a tailspin, how should she react? Very cleverly told. Angela Grayson.
