Bonker Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. This is a powerful book, pushing beyond the normal concepts and visions of life, whilst reaching into the mind s eye with clarity of definition. Its key elements open a wider vision of life around us, which are mind-opening to say the least, making it a very interesting read. By going beyond an environmental threat alone, it poses many questions concerning life itself, offering valid concepts and possible solutions that make perfect sense. It may even hold a major key to the future of our world, as it opens a lot of doors that so many of us have not managed to do. Compact, yet highly descriptive and to the point, it becomes an essential read. For it explains how and why the entire future of life is now in our own hands.
