Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In January 2011 I decided to try my next diet. I had been exploring different diets for about 20 years by this point but this next one was different. This one made sense, common sense. I had already been a big proponent of getting back to our roots and getting as natural as possible. I had also recently been exposed to the theory that the Agricultural Age was the beginning of the demise of mankind. Mass producing food just did not seem natural, and when I found that there was a way to eat that supported my beliefs, I was all in. Before I could finish *The Paleo Diet* by Robb Wolf, I was blasting all over social media about how this was the only way to eat. I was even, for a short while, the Paleo police and would criticize people who were not following the "rules" to a tee. Realizing I was being a jerk, I gave up my badge for the Paleo police but I continued making posts and bragging about my progress. I even started taking on personal training clients after taking a break for many years. To me, eating this way was the missing ingredient to my success as a personal trainer. Within six months of going paleo, I lost around 35 pounds, dropped to a weight I had never seen as an adult, and accomplished things I never thought I could do, like run four miles barefoot and do pull-ups and ring dips. The transformation was amazing. Over the years I've received several inquiries from friends and family on Facebook asking how I achieved these results. My advice was...
