Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Zoe Sullivan thought it was bad enough when her boyfriend-ex-boyfriend-told her she had no sex appeal. Now her wicked friends wanted her to walk out of the house wearing nothing but a scantily clad red dress that barely covered her features. She was out to prove her sexiness! They had her convinced she could do it until they ditched her at the door of Rockster s Bar. Now what did she do? Detective Zeke Chance can t believe he s about to go into Rockster s and bust a prostitute. The mere fact he s a homicide detective and not vice, and that he never understood the mindset of a woman selling herself, has him wishing he were in the safe confines of his house. Not in his car, talking himself into walking inside. He could do this. He s a cop. Just focus. One insane night of bliss, a connection so deep it s unexplainable. Ruined by a misunderstanding. Zeke thinks he s lost his chance with the woman of his dreams, until one day, she walks back into his life on another case. This time he s working where he should, as a homicide detective. How can he convince Zoe he made a mistake and she s the one? How can he keep her safe when she becomes the target of the killer he s looking for? He just found her again. He s not ready to lose her for a second time. He needs more than one taste of her.
