Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of twelve fictional stories with an unusual slant. Some serve a touch of the paranormal without the gore and fright aspects, and some depict the ever-present conflicts between the human heart and the mind. Just as everything in life is not always black or white, the characters in these stories are complex and not easily categorized as good versus evil.
