Reviews

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a lonely and desolate country, in the depths of a dark forest, at the edge of a yawning precipice, there once lay an infant, robed in costly garments, which betokened noble or royal birth. The baby lay in a small basket cradle, made of golden wires and lined with richly embroidered cushions. It seemed to be slumbering, for it moved not, even when the afternoon shadows gathered more densely around it; and rapacious bird of prey might have been seen hovering above its dangerous retreat, and the noise of wild beasts was heard in the dark forests around. Was there no one near to protect and care for this lovely child? Ah, see! As that vulture swoops down towards its helpless victim, a lonely watcher rushes forth from the forest, and drawing his bow, an arrow flies into the heart of the bird, which falls dead into the awful chasm below. But why does not the babe awake? And why is it left in this desolate spot? Just then a lion steals out of the brushwood, and after a stealthy glance at the tempting prey so near his reach, he prepares to spring. But again the watcher leaps forth from the shadow, and hurls a sharp javelin with so true, an aim that the lordly beast is mortally wounded, and retreats to the forest, roaring with pain. And still the infant sleeps on.
