## Effective Strategic Change in Public Sector

By Paul Joyce

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Effective Strategic Change in Public Sector, Paul Joyce, The public sector is experiencing tremendous pressure for strategic change. Governments in many countries require public sector managers to be more responsive to the public and to deliver more value with constrained budgets. Members of the public also face change, and look to their public sector organisations to provide efficient and high quality service, while adapting their activities in a complex and dynamic world. Strategy in the Public Sector provides guidance to managers who have responsibility for delivering increased levels of efficiency and innovation and accountability. It shows how strategic changes can be made through realigning and increasing the capacity of the public sector organisation. It shows how managers are now handling strategic changes in the context of public policy, favouring pluralism of service delivery systems and partnership working. Based on the practical experience of managers in local government, central government, health services and education, the book presents insights, lessons and examples from many countries on both sides of the Atlantic that help bring about effective strategic change. Strategy in the Public Sector has been written for anyone...
