SCM PRESS, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Essential books for the serious student of the Old Testament. It is scarcely possible to read von Rad without having the understanding and enjoyment of the Old Testament greatly increased. No serious student of the Bible at the level of theological student or minister can afford not to read him (Theology). A work of commanding range and penetration. . . . The skilful translation has made von Flad s book accessible to a greatly enlarged circle of readers. This, the most distinctive of modern Old Testament Theologies, has already exercised and will continue to exercise a profound influence on the study of the Old Testament (The Expository Times). Until his death, Gerhard von Rad was Professor of Old Testament in the University of Heidelberg. The companion to this volume is Vol 1: The Theology of Israel s Historical Traditions.
