Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a book of contemplative poetry that is a spiritual gem. It is written from mindfulness practices in relation to a sense of the Sacred. This little book has spiritual insights that are a source of daily inspiration particularly helpful in times of personal challenges, grieving, or simple attendance to one's spiritual growth. There is much depth in these pages which offers a meaningful lens into ordinary life through a deeper way of knowing. It would appeal to a wide audience as it speaks beyond any one particular concept of God. The contemplative poetry, when read slowly, becomes a meditation and prayer in itself. Many people have a longing for a sense of the Sacred, a sense of the presence of God, and these poems supports growth in spiritual sensitivity and awareness of the Sacred in every aspect of the fully lived life. The mystical nature of the writings, the sense of inner calm that it fosters, and the utter simplicity of its spiritual perspectives, make this book a likely daily companion. It has all the makings of a spiritual classic.
