

## Notes from No Man's Land: American Essays (Paperback)

Filesize: 6.58 MB

### ***Reviews***

*I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).*

*(Prof. Jeremie Kozey)*

## NOTES FROM NO MAN S LAND: AMERICAN ESSAYS (PAPERBACK)

Fitzcarraldo Editions, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A frank and fascinating exploration of race and racial identity. NOTES FROM NO MAN S LAND: AMERICAN ESSAYS begins with a series of lynchings and ends with a series of apologies. Eula Biss explores race in America and her response to the topic is informed by the experiences chronicled in these essays - teaching in a Harlem school on the morning of 9/11, reporting from an African American newspaper in San Diego, watching the aftermath of hurricane Katrina from a college town in Iowa, and settling in Chicago s most diverse neighbourhood. As Biss moves across the country from New York to California to the Midwest, her essays move across from biblical Babylon to the freedmen s schools of Reconstruction to a Jim Crow mining town to post-war white flight. She brings an eclectic education to the page, drawing variously on the Eagles, Laura Ingalls Wilder, James Baldwin, Alexander Graham Bell, Joan Didion, religious pamphlets, and reality television. These spare, sometimes lyric essays explore the legacy of race in America, artfully revealing in intimate detail how families, schools, and neighbourhood participate in preserving racial privilege. Faced with a disturbing past and unsettling present, Biss still remains hopeful about the possibilities of American diversity, not the sun-shininess of it, or the quote-making politics of it, but the real complexity of it.
