The most ancient places contain Doors - Portals into the Hub of Time. This is the third book in The MacDara Chronicles series (the first two are Overcomer - The Journey and Overcomer - The Battle, respectively). A child of 6th Century Ireland, Cian MacDara has traveled through time to present-day Connecticut in order to fulfill his destiny as the Defender of the Balance of Time. But first he must accept who he is and how carrying out his destiny will affect his heart, his very essence. To help him through these deep inner struggles, he has the love of Celeste Kelly, the friendship of angels, Celeste's friend Katie Grandol, and a new friend, Reagan Thompson, a young man with a secret of his own. In this first part of the Defender section of the series, more is revealed about the extent of Cian's destiny, while the Darkness steps up its game in an attempt to stop him from succeeding. Cian's success or failure will be learned in Book IV, Defender - First Strike,...
