SHADES OF DRAGON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Abandoned by his mother as a young boy and taken in by the elders of the Redwater clan, Tegan isn't your typical hero. In fact, if you ask him, he wouldn't call himself a hero at all. Yet when he is asked to investigate the outcome of an attack on the nearby human villages, what he discovers invokes the rage of a thousand storms, and he finds himself on the run with a beautiful stranger. Tegan may be half dragon, half human, but he's all heart. If he doesn't stay focused on the mission at hand, he will find that the curvy woman he's determined to protect, could be on her way to stealing it. On the run, they must fight their way to safety before time runs out. Tick, tock.
