Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Paris and Environs: With Routes From London to Paris and From Paris to the Rhine and Switzerland; Handbook for Travellers The chief object of the Handbook for Paris, which is now issued for the ninth time, and corresponds with the twelfth German edition, is to render the traveller as nearly as possible independent of the services of guides, commissionnaires, and innkeepers, and to enable him to employ his time and his money to the best advantage. Objects of general interest, described by the Editor from his personal observation, are those with which the Handbook principally deals. A detailed account of all the specialties of Paris would of course far exceed the limits of a work of this character.
