WHEN TWO HEARTS COLLIDE (PAPERBACK)

Brand New Book ***** Print on Demand *****.Suraya Blumington, after a string of unsuccessful relationships has decided to focus on her career and give men a break. She is desperate to move on and establish herself as a serious journalist. Now after five years as an Account Director for major PR firm Halford Wells, she has at last been given the opportunity to be involved in something more stimulating than promoting C list wannabes . Organising the product launch for the latest Sharp Shooter camera, she has decided that it is now or never if she is to make it in the competitive world of journalism. Photo journalist Matt Boydd is ready for a new challenge. He is planning another trip to India to research his latest book whilst working on a feature for CNN. Battling with his celebrity status, he is consistently the subject of global media speculation on account of his head turning good looks and the Hollywood film deal that is in the pipeline. However, in spite of this, Matt has remained true to himself and continues to follow his passion of photo-journalism, believing that pictures often say more than words. When Blue and Matt meet, an under-current of fire and sexual tension surfaces with mixed messages and misunderstandings leading to a life changing decision on both their parts. A sizzling read for keen Romantics everywhere!.
