Reviews

This pdf is wonderful. We have go through and so i am certain that i am going to going to study yet again once more in the future. Its been developed in an exceedingly straightforward way which is merely after i finished reading through this pdf where really transformed me, modify the way i think.

(Ollie Balistreri)

CURIOUS: BOYM: DESIGN WORKS (HARDBACK)

PRINCETON ARCHITECTURAL PRESS, United States, 2009. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This whimsical book presents the whimsical designs of Constantin Boym and his partner Laurene Leon Boym in all their good humor and raw fun. Like Curious George, Boym finds the extraordinary in the ordinary and makes the mundane into something magical. Though best known for his monuments to disasters series (tiny metal souvenirs of buildings like Three Mile Island and the Watergate), Boym has been designing a broad range of products, furniture, and installations for the last 20 years. All of it-from sofas made out of parts from Sears catalogs to dishes modeled after frozen food trays-reveals his delight in design. Curious Boym explores all the varied mediums that Boym explores. His products for an all-star cast of clients-including Alessi, Droog, Swatch, and Vitra-have won popular and critical acclaim. His Strap Furniture, constructed of wood and strapping tape, was a hit at the 2000 National Design Triennial at the Cooper-Hewitt. And his installation designs include everything from washing machines to chain-link fences. Here Boym creates a playful, interactive book filled with pop-ups, pull-outs, and other delightful surprises. Peter Hall, editor of Tibor Kalman, offers an insight into Boym s unique world, one that will inspire as much as it entertains.
