Yorkshire Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Lust or love, which is it? Sitcoms, pop stars, movies, online porn sites and much of Hollywood want us to believe that true love and lasting relationships are a thing of the past found only in old movies and romance novels. Has today's society bought the lie? Check out the stats! (They can be found within the pages of this book.) It's alarming. Personal lives are deeply wounded, marriages broken, children, young people, and single adults of all ages are reeling and confused - wandering down a bewildering path of relational destruction. So, what is the answer? In Love, Lust Lies, Dr. J. Bruce masterfully exposes the sexual lie that is debasing our culture, while boldly revealing the truths that form vibrant and lasting relationships. A must read for single adults of all ages, as well as teenagers and parents who don't want to see their children or themselves become another statistic, Love, Lust Lies intriguingly wrestles with what truly makes for deeper, meaningful and lasting relationships. This copy of Love, Lust Lies includes a STUDY GUIDE for personal and group use.
