FREE meditation mp3 and PDF download available at Do you sometimes struggle with making a decision and wish there was something wiser than you to help you out? Do you agonize over prioritizing all the things you need to do and to figure out what to do first or not at all? Do you question if you re really in the right relationship and wonder if you should just move on? What about taking that job or going back to school or going on that trip? In life we re bombarded with having to make all these decisions and choices that can have huge consequences for us. And so we wish there was a Somebody or Something out there that could just tell us what we should do, where we should go, who we should connect with. To be guided by a higher intelligence is something we all want and need. Why? Because we want to live our best life! We don t want to miss out in some way and find that we made the wrong choices and end up having a lot of regrets. Well guess what.we can have that kind of higher guidance to help us out! Intuition Is the Key to Life Success! Throughout history people have gotten that guidance and insight, those inspirations that led to new discoveries in science and inventions, protected them from danger, led them to their soul mates, directed them to great destinies. It s the voice of intuition that people responded to, heard and acknowledged. It s part of the package in being human.a way of knowing that s available to us yet we re never taught how to use...
