Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever had a hard time understanding the book of Romans? This may be the book for you. In it is the book of Romans set in a pictorial language as a bride who is deeply in love might have written it. It uses pictures such as our righteousness being a beautiful wedding dress, sin as a stain on that dress, and the Apostle Paul is now the Head Postman for delivering the Wedding Invitation (the Gospel) to our Wedding Ceremony with Jesus; our Beloved Husband. The text follows in line with the book of Romans. This book is not a literal translation; think of it as an in-text commentary as it might be written by the Bride of Christ who is so in love with Jesus that He has now become her bouquet of Henna Blossoms. Romans from the Bride of Christ is like as a marriage between the book of Romans and the Song of Solomon. May the reader receive greater revelation of the contents of the book of Romans and of the love of God through the reading of this commentary.
