AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The main theme of these works is the. what if and why? In every walk of life there is a moment!.and in that moment we all have to make decisions from our choice of work to simple pleasures such as our choice of food and entertainment! then there are the choices we all feel somehow have been preordained by.Fate?.Destiny or is it ALL Just Hollywood ? As is my nature i ve always made choices but then at a later date the what if and why? question will arise in my mind. The comical side of me would nt allow me to write volumes of personal thoughts but between me myself and I we agreed that a series of thought provoking, mildly critical and hopefully a little amusing poetry would suffice.to whom it may concern.ENJOY!.
