This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Book Condition: New. 201 x 125 mm. Language: English . Brand New Book. If it ever falls to you, my reader (though God forbid!) to see your name written on a prison wall and followed by the letters LYMTL , that will simply mean Love You More Than Life . These letters are no harder to remember than KGB . GREY IS THE COLOUR OF HOPE is the searing account of the author s experiences in a brutal Soviet labour camp. Only twenty-eight when she was imprisoned for her poetry, Irina Ratushinskaya was already regarded as a leading writer of her generation, in the line of Mandelstam and Pushkin. She nearly died from maltreatment and a series of hunger strikes before eventually finding freedom. With surprising moments of humour, her inspiring memoir reveals how a group of incarcerated women built for themselves a life of selfless courage, order and mutual support.
