Brand New Book ***** Print on Demand *****.What if heresy had grown within the church, maturing secretly over more than a millennium, working ill under the cover of right belief and worship? This startling and provocative book argues that the ancient heresy of Docetism, reappearing in a form resonant with its original denial of Christ's body, has brought the Western church to its current state of disrepair. Docetism has irreparably fractured Western Christendom, reducing the church to a tangled mass of denominations and sects, while also infecting the course of Western society beyond the ecclesia. Progressing from an ontological foundation oriented toward the dissolution of form, Docetism has led peoples convinced of their march toward unity into ever deepening alienation. Orthodox, Catholic, and Protestant believers alike will find Cantey's book insightful, confrontational, and provocative. --Matthew Lynch, Dean of Studies, Lecturer in Old Testament, Westminster Theological Centre If the Holy Spirit gathers the Body of Christ in unity, as Israel hearing our God is One and loving thy God with all your heart create unity of people and self at...
