Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Songs of the Underworld I wrote these verses in the hope that I might prevent some person from making the journey to the Slough of Sighs, where souls are lost and minds are cast away - and to give hope to some who, marooned, View with tearful eyes our ships sail past their isle of woe, that some day there will come a vessel to pick them up and carry them into a port where life may be lived anew. The Prude I despise; the Christian by rule and rote, I pity - for he builds his own hell. To the critics who condemn my language I want to say uncover your ears and worse you will hear mixed with the laughter of children, for such words are a part of your life. There is a ceaseless war between the sexes. When will the bugles of peace be sounded and the world run glad by the rules of right? Criticism of Wrong is Mind s most worthless excrement.
