From the book cover: You are in the Middle Ages, sandwiched between the greatest generation and the gimme generations, busily juggling both with no relief in sight. Children are driving, and parents are not. Money is tight and so are your favorite jeans. And things that never ached before are beginning to give you trouble! For every baby boomer who wonders if it is possible to navigate the Middle Ages with grace and style, Phil Callaway offers plenty of hope and a little hilarity too. Because there is nothing like a smile to make wrinkles less noticeable.

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*
