THE TREASURES OF DARKNESS: A HISTORY OF MESOPOTAMIAN RELIGION (PAPERBACK)

[DOWNLOAD](#)

Yale University Press, United States, 1978. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. The Treasures of Darkness is the culmination of a lifetime's work, an attempt to summarize and recreate the spiritual life of Ancient Mesopotamia. Jacobsen has succeeded brilliantly. His vast experience shows through every page of this unique book, through the vivid, new translations resulting from years of careful research. Everyone interested in early Mesopotamia, whether specialist, student, or complete layman, should read this book. It is, quite simply, authoritative, based on a vast experience of the ancient Mesopotamian mind, and very well written in the bargain. -Brian M. Fagan, History Professor Jacobsen is an authority on Sumerian life and society, but he is above all a philologist of rare sensibility. The Treasures of Darkness is almost entirely devoted to textual evidence, the more gritty sources of archaeological knowledge being seldom mentioned. He introduces many new translations which are much finer than previous versions. Simply to read this poetry and the author's sympathetic commentary is a pleasure and a revelation. Professor Jacobsen accepts the premise that all religion springs from man's experience of a power not of this world, a mysterious Wholly Other. This numinous power cannot be described in terms of worldly experience but only in allusive metaphors that serve as a means of communication in religious teaching and thought. As a literary work combining sensibility, imagination and scholarship, this book is near perfection. -Jacquetta Hawkes, The London Sunday Times A brilliant presentation of Mesopotamian religion from the inside, backed at every point by meticulous scholarship and persistent adherence to original texts. It will undoubtedly remain for a long time a classic in its field. -Religious Studies Review A fascinating book. The general reader cannot fail to admire the translated passages of Sumerian poetry...
