Paperback. Book Condition: New. Laurie Ann Cronin (illustrator). Paperback. 150 pages. On the first night of a long-awaited sailing adventure, fever sends young Oliver back into the teeth of Hurricane Carol, a storm that devastated the New England coastline in 1954. The character we came to love in *Oliver's Surprise* finds himself anchored off Cape Cod aboard Cap'n Elis schooner, the beloved *Surprise*, as the storm makes landfall. His young companion, Greg Haverford, struggles to give up his modern electronics because they don't exist yet! Once again, young readers see New England coastal history through the eyes of our intrepid time traveler, who just might have to use the skills he learned during the Hurricane of 1938 to get them both back to their own time. Along with maps, photos, glossary, history of the storm, diagrams and illustrations, Cronin has embedded a sailing primer in a ripping good yarn. You can smell the salt, hear the groan of the sails and feel the tiredness of Oliver's muscles--and as he's travelling through time, surviving hurricanes, and discovering his love of this way of life, he's also discovering himself. A wonderful book. Holly LeCraw, author of *The Swimming Pool I Kept Reaching For*, kept reaching for my lifejacket and pulling up my hood throughout this fast-paced narrative. Gary Jobson, President US Sailing, ESPN Voice of Sailing, Carol Newman Cronin crowned a lifetime of competitive achievement by winning two races for the USA at the 2004 Olympics in Athens. She has won numerous national and international sailing championships. Since retiring from Olympic sailing, Carol has focused on writing and graphic design. Her first book, *Oliver's Surprise*, was published by GemmaMedia in 2009. Carol Newman Cronin lives in Jamestown, RI. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
