By Susan Brassfield Cogan

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A journal for artists and writers. The left page is blank so that you can draw, doodle, paste pictures, or construct a map of the interior of your mind. The right page is lined with a teeny-tiny version of The Warlord of Mars. That s where you write your thoughts. A journal is the cheapest form of psychiatry. It s a dear friend who actually won t repeat your secrets. A journal doesn t care how you spell botulism. It won t call the police if you threaten to murder your co-workers. It won t laugh if you share your fantasy of someday winning the Pulitzer and the Nobel Prize on the same day. A journal doesn t mind if it becomes messy, dog-eared, and scribbled as long as it is always within reach.
