SIMON SCHUSTER, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In this instant New York Times bestseller that s boldly funny without being anti-mom (In Touch), comedian and Chelsea Lately regular Jen Kirkman champions every woman s right to follow her own path--even if that means being childfree by choice. In her debut memoir, actress and comedian Jen Kirkman delves into her off-camera life with the same snarky sensitivity and oddball humor she brings to her sold-out standup shows and the Chelsea Lately roundtable, where she is a writer and regular performer. As a woman of a certain age who has no desire to start a family, Jen often finds herself confronted (by friends, family, and total strangers) about her decision to be childfree by choice. I Can Barely Take Care of Myself offers honest and hilarious responses to questions like Who will take care of you when you get old? (Servants!) and a peek into the psyche--and weird and wonderful life--of a woman who has always marched to the beat of a different drummer and is pretty sure she s not gonna change her mind, but thanks for your concern.
