Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to provide a conceptual map by which to understand the past, present and future ministry of Jesus Christ. More importantly, this book was written to help us understand our role in this ministry. Thus, this book is a multidimensional treatise on key doctrinal issues and a discipleship guide. The main point of the book is that the totality of God's work through Jesus Christ can be sorted into four main dimensions: FOR US, IN US, THROUGH US, and TO US. In addition to presenting a range of crucial bible topics for each dimension, the chapters also discuss how we should respond to the work of Christ. As a bible study aid, the four-dimension structure provides a means by which to view scriptures in harmony with each other by appreciating the multidimensional nature of biblical topics. Richard D. Harvey, Ph.D. is a bible teacher and writer who currently serves as the director of the Counseling and Leadership/Organizational Development ministries at Metro Christian Worship Center in St. Louis, Mo. He is also an Associate Professor of Psychology at Saint Louis University, where he teaches and conducts research across a range of topics from prejudice to collective identification. He also works as a management consultant, specializing in Strategic Planning and Program Evaluation. Finally, and most importantly, he serves and works at being a husband to Kim, and a father to Alexandra, Krystani, Jessica, and Zahra.
