

## Adult Psychopathology Case Studies (Paperback)

Filesize: 5.16 MB

### **Reviews**

*A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.*

*(Don Pacocha)*

## ADULT PSYCHOPATHOLOGY CASE STUDIES (PAPERBACK)

John Wiley and Sons Ltd, United States, 2003. Paperback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\* A unique case study book, *Adult Psychopathology Case Studies* presents adult client case studies that describe the ways in which people with psychological disorders are likely to think, feel, and act. Written by experienced clinicians and well-known authorities in their respective specialties, it brings together the work of an international group of contributors who address the nature, origin, development, manifestations, course, and prognosis of a diverse range of adult psychopathological conditions. Close examination is given to the clinical, personal, contextual, theoretical, ethical, and legal dimensions of case studies, along with insightful, real-world focus on overlapping themes, such as culture, substance abuse, domestic violence, and sexual abuse. Authors illustrate rational case formulation, but stop short of exhaustive or doctrinaire analyses that would discourage alternative opinions on how and why a disturbance occurred or its likely outcome-giving students an opportunity to apply their own knowledge to each case and providing instructors with material that will spark lively classroom discussion and debate. The contributors also bring a broad range of theoretical perspectives to the diverse array of case studies, including psychoanalytic, psychodynamic-interpersonal, cognitive, and cognitive-behavioral conceptualizations of psychopathology and psychotherapeutic methods. *Adult Psychopathology Case Studies* includes thirteen full-length case studies in the following categories: Personality disorders Anxiety and somatoform disorders Identity disorders Habit disorders Serious or psychotic disorders Also included are six brief case studies covering: Adjustment disorder Dependent personality disorder Schizotypal personality disorder Generalized anxiety disorder Polysubstance dependence Depressive disorder *Adult Psychopathology Case Studies* offers an engaging and perceptive look into the real world of adult psychopathology and provides students with an enriching hands-on learning experience as they apply their knowledge and techniques to each of the unique case studies...
