In The Gemini Agent, as first-year final exams week kicks off, several incident reports with serious allegations against James T. Kirk end up on the Commandant of Midshipmen's desk. None of the allegations are true, of course. or are they? Kirk is being plagued by mysterious blackout periods, so he finds the allegations difficult to refute. During these blackout periods, he has no recollection of what he did, save for some very disturbing and disjointed memories. Kirk needs his friends, Bones and Uhura to help prove his innocence. Who is targeting Kirk, and why is he being targeted? And how far are they willing to go? Someone close to Kirk holds the answers to all of these questions, but can he put the pieces together before it's too late?.
