Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the Editor: I first attended Alan Savory and Stan Parson s Rancher School in Albuquerque, NM in the early 1980s. Since that time, and throughout my academic career, I have advocated, taught and practiced the principles of the Savory Grazing Method (or SGM) as it was called in those days. Only a short time after I completed the school, Alan and Stan decided to dissolve their partnership and go their separate ways. Alan founded Holistic Management International and Stan the Ranching for Profit School. SGM (now Holistic Management) is a method and methods cannot be patented. As a result, the names the principles are presented under have proliferated. Although the fundamental ecological principles have not changed since those early days, we now have managed grazing, planned grazing, mob grazing, management intensive grazing, and perhaps a half-dozen others. (In fact, for some small degree of distinction, we choose to call what we do Managing the Ranch as a Business with Restoration Grazing.) Never-the-less, to this day I still find myself referring to it as The Savory Grazing Method in honor of the brilliant man from whose mind these ideas sprung. This guide is a detailed book review of sorts, but perhaps it would be more accurately described as an abstract that condenses 864 pages of detail into 189 pages of concentrated information. First, Holistic Management: A New Framework for Decision Making by Alan Savory with Jody Butterfield and Holistic Management Handbook: Healthy Land, Healthy Profits by Jody Butterfield, Sam Bingam and Allan Savory were condensed and summarized. Then, the summaries were compiled into one with the result being organized into a logical sequence. In no way is it...
