Biological Membranes: Structure, Biogenesis and Dynamics (Paperback)

By -

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Advanced Study Institute on Structure, Biogenesis and Dynamics of Biological Membranes, held in Cargese from June 14-26, 1993, has been dealing with four major topics in membrane biochemistry today: lipid dynamics and lipid-protein interactions, protein translocation and insertion, intracellular traffic and protein structure and folding. The lecturers discussed these topics starting from several disciplines, including biochemistry, cell biology, genetics, and biophysics. This way an interdisciplinary and very interesting view on biological membrane systems was obtained. At first an extensive overview of - mainly biophysical - techniques which can be used to study dynamic processes in membranes was presented. Sophisticated approaches such as ESR and NMR have been applied successfully to unravel details of specific lipid-protein interactions. x-ray analysis provides detailed structural information of several proteins and the possible implications for protein functions. Information obtained this way is complemented by studies on mechanisms and kinetics of protein folding. The latter information is indispensable when discussing protein translocation and insertion: processes in which folding and unfolding play essential roles. Extensive insight was offered in the complicated machinery of phospholipid biosynthesis. In...

Reviews

I just started off reading this article publication. Sure, it is actually perform, continue to an amazing and interesting literature. Your daily life period will be transform as soon as you full reading this article pdf.

-- **Dessie Gaylord**

These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).
