Colonial Children (Classic Reprint) (Paperback)

By Albert Bushnell Hart

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Colonial Children Reading aloud with taste and expression is only part of the school training. Children must learn to read both to and for themselves; to get the sense by the appeal of the printed page to the eye, as well as of the spoken words to the ear. That children do not acquire this power generally in the primary and grammar schools is known to secondary school teachers; repeatedly. In my high school classes I have found that reading twenty pages of a comparatively easy history or even of a novel, was a time-taking task without definite results in the way of securing the ideas. Since this power cannot be acquired without years of training, a beginning should be made in the elementary schools. There is no doubt that many of these stories would be most profitable and engrossing seat work, a means of relaxation, which would not involve mischief making.
