

Privy Thoughts (Paperback)

By Jim Morrison

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Privy Thoughts is a hilarious, biting, and, at times, bizarre collection of the graffiti found on the toilet doors of universities in Britain, Ireland, Australia, and the United States of America. Venture inside, where the thoughts, feelings, and observations of various students are arranged into categories ranging from sex, of course, to philosophy, by way of a limerick or two. For anyone in need of a laugh, a reflective moment, or just a reminder of student days, this book is a must. It veers from being thoughtful and intellectual, to being outrageously potty-mouthed, and back again. Read, savour, and smile without the need to wash your hands afterwards.
