HarperCollins Publishers Inc, United States, 1997. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. It s hard to believe that the Simpsons have been around for a whole decade. When America was first introduced to this nuclear family, they were only featured in 30-second shorts on The Tracey Ullman Show. From these modest origins, they ve skyrocketed in popularity, shooting up the charts to become the No.1 FOX show for kids under 17 and No. 4 for adults 18 to 34. Today, The Simpsons is the longest-running animated series of all time (dethroning The Flintstones in February 1997), and an intrinsic part of American pop culture. The Simpsons is a celebration of this family s phenomenal decade. Arranged by season, the book covers each episode of the television show, with the special episodes (the annual Halloween show, Who Shot Mr. Burns? and Krusty Gets Kancelled) receiving eyeball-busting two-page spreads. In addition, special sidebars are sprinkled throughout, showing: Simpsons firsts Bart s chalkboard lines Top Homerisms An Itchy Scratchy filmography A Springfield timeline Things the audience may have missed Highlighting the best of every show, The Simpsons is the ultimate celebration of the cartoon family that has kept America in stitches. It is the ultimate must-have for all Simpsons aficionados. Try the Simpsons Fact Machine (Shockwave required).
