

Anabolic Steroids: Effects, Reality, and Demand (Paperback)

By Alan Philowitz

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The popularity of anabolic steroids has risen since the 1980s, and it will continue to rise well into the future because anabolic steroids work. High-profile athletes and individuals in the entertainment industry use them regularly because their effects are so powerful, and increased masculinization is considered desirable within society. The media's coverage of anabolic steroid use and reactions by legislators has not benefitted society to the degree that it could throughout the world. Alan Philowitz explores current scientific information regarding anabolic steroids effects and addiction. There is a place for anabolic steroids within society, sports, and in medicine. Anabolic steroids have powerful effects that can improve people's lives and society if used correctly, and the media's reporting and legislation should reflect this. Individuals have a right to use anabolic steroids and seek medical treatment in organized societies to improve athletic performance, physiques, and cognition in a responsible.
