Titan Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Oliver Marks has just served ten years for the murder of one of his closest friends - a murder he may or may not have committed. On the day he s released, he s greeted by the detective who put him in prison. Detective Colborne is retiring, but before he does, he wants to know what really happened ten years ago.As a young actor studying Shakespeare at an elite arts conservatory, Oliver noticed that his talented classmates seem to play the same roles onstage and off - villain, hero, tyrant, temptress - though Oliver felt doomed to always be a secondary character in someone else s story. But when the teachers change up the casting, a good-natured rivalry turns ugly, and the plays spill dangerously over into life.When tragedy strikes, one of the seven friends is found dead. The rest face their greatest acting challenge yet: convincing the police, and themselves, that they are blameless.
