Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book will help you to discover new perspectives on the notion incurable . It will show you new approaches out of an apparently helpless situation be it a disease or some other Goliath in your life. You can draw hope, encouragement and strength from this book and regain your joie de vivre! I have the autoimmune disease Multiple Sclerosis, as well as a chronic psoriasis and arthrosis. The doctors had given up on me and had sent me home to live as a 24/7 bedridden nursing case. I wanted to shorten my life, which I did not achieve, but being permanently in pain with intolerable hindrances I didn't want to live any longer. So I decided to try the last remaining option: I had to get healthy again! You can achieve this too - you can achieve anything you want. All you may need is the right guidance, in which case this book may help you. I didn't know exactly how to overcome my condition; I just knew that I had to do it myself. Unwaveringly, I searched for and experimented with alternative solutions and I found them in science, but not in medicine. After years of research, trial and error, I was able to get my diseases under control and to win back my life again. And so began my third life. This is my story, from being completely bedridden to being without a wheelchair, and even having my own car. In this book I tell you how I achieved it, and how anybody can. You are not alone with your fears and your worries. We are often able to achieve significantly more than others would...
