Voyager, 2017. Paperback. Condition: New. International ed.. Language: English . Brand New Book. Step into The City of Brass, the spellbinding debut from S. A. Chakraborty--an imaginative alchemy of The Golem and the Jinni, The Grace of Kings, and One Thousand and One Nights, in which the future of a magical Middle Eastern kingdom rests in the hands of a clever and defiant young con artist with miraculous healing gifts. Nahri has never believed in magic. Certainly, she has power; on the streets of eighteenth-century Cairo, she's a con woman of unsurpassed talent. But she knows better than anyone that the trade she uses to get by--palm readings, zars, healings--are all tricks, sleights of hand, learned skills; a means to the delightful end of swindling Ottoman nobles and a reliable way to survive. For the warrior tells her an extraordinary tale: across hot, windswept sands teeming with creatures of fire, and rivers where the mythical marid sleep; past ruins of once-magnificent human metropolises, and mountains where the circling birds of prey are not what they seem, lies Daevabad, the legendary city of brass--a city to which Nahri is irrevocably bound. In Daevabad, behind gilded brass walls laced with enchantments, behind the six gates of the six djinn tribes, old resentments are simmering. A young prince dreams of rebellion. And when Nahri decides to enter this world, she learns that true power is fierce and brutal. That magic cannot shield her from the dangerous web of court politics. That even the cleverest of schemes can have deadly consequences. After all, there is a reason they say to be careful what you wish...
