THE 71F ADVANTAGE: APPLYING ARMY RESEARCH PSYCHOLOGY FOR HEALTH AND PERFORMANCE GAINS

Createspace, United States, 2012. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book by and about military research psychologists-behavioral scientists who apply the principles and methods of psychology toward the goal of understanding and improving human health and performance in our defense forces. This work being done by research psychologists not only helps with operational effectiveness, but it also helps the individuals who are put under great stress during military operations to cope with that pressure; it can save lives and enhance well-being....
