Times Group Books, New Delhi, India. Softcover. Book Condition: New. First Edition. Ayodhya is the city founded by the Suryavamsa, the Solar dynasty kings. Rama was born and ruled from there 7100 years ago. This Solar dynasty lineage spread not only to different parts of India but also to different parts of the world, spreading their nobility. This work traces the history of Ayodhya and this lineage through the lands, through the times. Ayodhya and the values that Rama stood for, have been an inspiration to all these peoples through all these times. In the last 500 years, Ayodhya has been at the crossroads of history. This book offers a Pan Theo solution not just to disentangle ourselves from the present imbroglio alone but more importantly to rejuvenate Ayodhya once again as an inspirational city for values to live by, in times to come.
