It is probably these they are waiting for. What do you propose to do, Jack Get a little nearer, lad. Do you think we can save her We will try, but it can be done only at great risk and under cover of the excitement of the meeting of these squads. Come on, lad, every moment is precious to us. CHAPTER XV. A FRIENDLY VOICE. In the work that followed, Jack Greenland showed that he was no novice in woodcraft, but it would take more space than I can give to it to describe minutely the details of what I shall only attempt to outline. It would not do for them to leave the thick fringe of bushes overhanging the road, and yet, in order to accomplish his purpose, it was necessary for them to shorten the space between them and the rebel riders under El Capitan, as the mountain insurgent was called. To do this more safely, Jack retreated about a yard, and then crept forward in the same direction of the road. In spite of his extreme caution, Ronie heard a stick snap under his knee, when his heart came into his mouth. Fortunately, one of the horses stamped its foot at this moment, and thus the fainter sound was drowned by the heavier. Then the harsh voice of the insurgent was heard to exclaim: Fire on the head of the laggard! I cannot wait here any longer. Forward, men! on to the mansion, which shall be the cage for our bird. Without further delay the body of half a dozen riders struck their impatient steeds smartly...
